

QUICK START WEBSITES

30 DAY WEBSITE

> Need a new website FAST ?

We know that a strong online presence is essential for attracting customers and sometimes you can't always wait months for a new website. Our Quickstart Website Package offers simple, optimized and cost effective web presence delivered FAST.

> How Can I Use This?

Are you running a campaign for a new product or service? Maybe you have an event or property listing that you want to showcase for a set amount of time. We can host your page and keep the site active for 60 days providing you with reporting on your page's performance.

• Step 1

Meet with our staff to develop a plan of action for your website.

• Step 2

Give us your logo, brand assets, images and content. Don't have content or images? We can help!

• Step 3

We review the site with you so that you can make changes and edits before we go live.

• Step 4

Your website is LIVE!
